Subject: Age Well Town Funding Request Preparation

Good Afternoon Everyone,

Happy Thursday, I hope you are all doing well!

In preparation for our FY25, I am reaching out to you today to see if your process for Town Funding allocation requests have changed at all in the last year. I understand these processes typically don't, but if I didn't ask, this would be the year something changed.

Could you please let me know the following:

- **Any changes in your process**
- **Paperwork other than a letter of request that is needed**
- **Request deadline**
- **If you require a petition, what is the date that petition is due**

We are so grateful to our towns that support our services, we could not do what we do without you all.

Please get back to me at your earliest convenience, and feel free to reach out to me with any questions or concerns.

Thank you and have a lovely day,
Emma
