

Hi Rebecca and Nate!

Rebecca, I stopped in last week to inquire about the opportunity to be considered for any open Trail Committee positions. I am following up from that conversation.

My name is Chris Boffa. I am not clear on the timing for committee member changes, but I wanted to get "on the list" for consideration whether there are immediate opportunities or future opportunities.

I would like to offer my background for this consideration. My wife and I have lived in Charlotte for over 20 years and have raised our two sons here. They attended CCS and CVU and are now in college. During our time in town, I have been the President of the Charlotte Little League (Now Champlain Valley Little League) for 8 years. I was a head Coach and board member including President of the Buccaneers Youth Football program for 10 Year and was a den leader of the cub scouts. Professionally I am a Director of Construction for Summit Properties. We are the largest for-profit developer and manager of affordable housing in the State of Vermont. I enjoy projects and feel I can bring both my background in construction and construction management along with my desire to give back to the community. I hope you will consider me for a position on the Trail Committee.

I look forward to hearing back and thanks for your time!

Chris Boffa (he/him) | Director of Construction Management
