REQUEST FOR PAVING BIDS

April 22, 2024

BID DEADLINE IS MONDAY, MAY 20, 2024 @ 4:00 PM

The Town of Charlotte is requesting bids for the placement of hot mix asphalt on approximately 3.0 miles of town highway. (Please see attached list). Approximately 3.0 miles is to be Type III asphalt; approximately 0 miles is to be Type IV asphalt. Asphalt is to meet VTrans Standard Specifications for Construction Section 406-Marshall Bituminous Concrete Pavement. Bids shall include sweeping, emulsion application, two rollers (including back roller), traffic control, and cost for moving between sites. Emulsion application by truck mounted system is preferred. Minimum emulsion application shall be sufficient to cover one lane (12' +/-) in one pass. All equipment shall be provided in good repair and fully operational. Bids shall also include finishing all pavement edges with a tapered "safety edge." Paving will take place on such roads, at such thicknesses and at such times as the Road Commissioner shall designate. Specified locations may change at the Town's discretion.

All paving work shall be completed by June 30, 2024.

INNOVATIVE PROPOSALS

The Town of Charlotte will entertain proposals for new or innovative approaches to resurfacing. Such proposals will be carefully considered by the Town for cost effectiveness.

INSURANCE REQUIREMENT

The selected bidder shall provide, prior to starting work, a certificate of insurance naming the Town of Charlotte as an additional insured with liability coverage of no less than \$1,000,000. The Certificate must also include Workers Compensation Insurance, and Automobile Insurance for vehicles used to transport paving machinery.
