Hi Nate,

Thank you for the update.

As no official action has been taken by the SB I will continue as a full member. Additionally, presuming the SB will appoint me as an alternate, I will continue to join meetings on a regular basis at least until a full member replacement is appointed to assure there is a continued forum.

Best regards,
JD

Morning JD,

Last night the Board decided not to amend their agenda, and will address your resignation/appointment as an alternate on Jan. 13th. Thank you again for your interest in continuing to serve as an alternate. I'll reach out again once the Jan 13th agenda is finalized.

Since there's no specific date in your letter, and because the Board didn't take any action last night, I'd feel comfortable with you continuing to take part in DRB meetings until the 13th. But I'll leave that up to you.

Happy holidays,

Nate

Hi Nate,

I may join remotely but am shuttling kids around. Apoiniting in abstentia is fine with me as well.

Good afternoon JD,

Let me start by thanking you for all the time and effort you contributed during your time on the Development Review Board.

I will make sure the Selectboard is aware of your withdrawal this afternoon, and that you are open to being appointed as an alternate to the DRB. I don't think any further action is needed for us to move forward. That said, please let me know if you plan to attend this afternoon's meeting. If not, I'll let the Board know you'd like to be appointed in abstentia.

Thank you again,

Nate

Subject: Withdrawal from Planning Commission Candidacy and Transition on the Development Review Board

Dear Nate and Members of the Selectboard,

I am writing to formally withdraw my name from consideration for the vacant seat on the Planning Commission. After careful consideration, I find myself in the midst of a career transition and am uncertain of my ability to dedicate the time required for productive contributions to the Planning Commission's important mission and work.

In light of this, I would also like to confirm my intention to step down from my role as a full-time member of the Development Review Board. However, I would be glad to remain involved with the DRB as an alternate member, as I deeply value contributing to the town's development process and staying connected to this important work.

I am grateful for the opportunity to serve the Town of Charlotte and appreciate the trust and support of the Selectboard and my colleagues.

Thank you for your understanding, and please let me know if any further action is required on my part to facilitate this transition.

Best regards,
John-David Herlihy
