

Below is a completed bid form for the Spear Street bank stabilization project. We have done a thorough site review and studied the plans provided. There is room in our 2024/25 work schedule to complete the project by the April 6th 2025 deadline (paving aside). Boulder Excavation is well situated for the project. We have a full array of equipment that would facilitate efficient, high-quality work on the proposed site.

Boulder is authorized to do work in Vermont

Recent projects of similar scope and nature:

2024 Flood repair work for the Town of Stowe including extensive armoring of the Stowe recreation path. Culvert and header repair on Partridge Hill. Bank armoring of Sugar Bush Road, Moscow. Westview road repair.

2023 Access road and site work at 283 East Hill, Middlesex
