

TOWN OF CHARLOTTE
ARBOR DAY DECLARATION

Trees in the Town of Charlotte contribute significantly to the beauty of our landscape. In addition, they provide many valuable environmental services, such as shade and cooling in summer, carbon fixation, oxygen production, soil-erosion reduction, more-favorable groundwater recharge, and habitat for many other forms of plant and animal life.

Therefore, the Charlotte Town Selectboard, recognizing that it is a good and worthy thing for residents to plant trees for the benefit of present and future generations, designates May 3, 2024, as Charlotte Arbor Day. The board also notes with pleasure that the Charlotte Central School celebrated Arbor Day on May 3 and applauds the ongoing efforts of Charlotte residents in working within the town to plant and care for trees throughout the year.
