

Work Plan/Next Steps, for following up 2016 Town Plan Implementation:

Here are PC member sign-ups thus far for leading our follow-up work on the Town Plan Implementation. I've added another category to Charlie's original: energy plan implementation. The numbers following each grouping below correspond to the rows in the Implementation Plan spreadsheet:

- 1. Master Planning** – lines 6, 7, 8, 21, 49, 52, 53, 57 (PC leads: Robert Bloch, Bill Stuono)
- 2. Inventory Farm Land/Open Space** –future open space conservation priorities – line 18 (PC lead: Linda Radimer)
- 3. Coordinate town trail planning** – lines 28, 55 (PC lead: Kelly Devine)
- 4. Environmental Assessment of VTRANS land** at 818 Ferry Rd. – line 13 (PC leads: Charlie, Kyra)
- 5. Non-contiguous PRDs/TDRs** – line 33 (PC lead: Bill Stuono)
- 6. Stormwater Management on Town Roads** – lines 46, 47 (PC lead: _____)
- 7. Road /driveway Standards update:** – lines 43, 62 (PC lead: Charlie Pughe, Bill Stuono)
- 8. Energy Plan implementation:** - lines 69-90 (PC liaison:_____)

Potential partners on this work, by topic: (per Implementation Plan)

1. Master Planning: Selectboard; Regional Planning staff (for line 52)
2. Inventory Farm Land/Open Space: Conservation Commission, Charlotte Land Trust)
3. Coordinate trail planning: Trails Committee: Regional Planning staff
4. Environmental Assessment of VTRANS land at 818 Ferry Rd: Town Planner, CCRPC?
5. Non-contiguous PRDs/TDRs: Town Planner (new handout?)
6. Stormwater Management on Town Roads: Road Commissioner, CCRPC staff
7. Road/driveway Standards update: CVFRS, Road Commissioner, Selectboard
- 8. Energy Plan implementation:** Energy Committee (lead), Selectboard, CCRPC staff, Efficiency Vermont, Zoning Administrator

Suggested next steps:

- Items 6 and 8 from top section list above need PC leads – any takers?
- Leads should reach out to potential partners (ask Larry if you need contact info) & share implem. plan tasks; set initial meeting to map out a workplan & assign tasks
- Let Larry know if you need help identifying background material, studies, etc.
- Schedule time at each PC meeting to check in/report on our progress
